Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The History Of England, Volume 3, Chapter 14

This is volume 3 chapter 14 of a series of books written by the Baron Macaulay (1800–1959) in the 19th century. It starts with a brief resume of the history of England up until the Stuart kings and then starts to delve into a little more detail. Macaulay is primarily fascinated by ending of any claim to divine right of kings and the growing role of Parliament in the governing of the country. He sees the accession of William and Mary (Dutch, Protestant royalty) to the British throne as a key moment in the history of the British Isles. This is a book delightful for the literary gifts of the author and intriguing for his view of 18th century English and world politics. (Jim Mowatt)

This volume covers various 17th century events including a military campaign in Ireland and the Church of England oath–swearing controversy, in which some clergymen refused to swear an oath to King William and Queen Mary required by the crown (Karen Merline)
